GENE High Range IQ Test

Global Extensive Noetic Examination

GENE Verbal I

GENE Verbal I is a high range IQ test which consists of 32 verbal associations of varying difficulty. The test is looking for the most complete and the simplest solutions. Every correct answer yields one point. There are no half points.

Verbal Associations

Find the common association. Each item requires one answer and must be solved with one word. In some items a certain level of knowledge is required in the domain of the clues. The use of any kind of reference (internet, dictionary) is allowed, but sharing answers with others is forbidden. Explanations are not necessary, but will be welcome. A minimum of 10 hours is suggested for solving the test. The items are not arranged by level of difficulty. You can send only one solution for each item.

01) pattern, infinity, art, figure
